·Talked to Ed Puchi regarding our next scheduled meeting with CalOSHA . Ed indicated that he is in touch with Roy Berg and it does not seem there is a need for another meeting. Things are going well. He said he would talk to Roy one more time to be sure. We also talked about an email that Jean-Luis of Integral Vision had sent to MCM requesting interest on a couple of past due invoices. Ed said that the bills may have fallen through the cracks and but asking \$2000 interest at 18% is unacceptable. I told Ed that I would talk to Jean to see what his story is.

·The Senior Staff Meeting and meeting with MCM were cancelled today . Today was Amer's last day for going on vacation for 5 weeks starting tomorrow. Time sheets will be sent to Rick Morrow.
